

## Prayer Prompts — February 2026

- † **Week 1.** Love is sharing, love is giving the best we have. We are carriers of God's love and whoever you are, you can become one also.
- † **Week 2.** We People today are hungry for love, which is the only answer to loneliness and great poverty. In some countries there is no hunger for bread. But people are suffering from terrible despair and hatred. They need someone who will understand and respect them.
- † **Week 3.** God is purity Himself, nothing impure can come before Him. God is love and he loves us in spite of our sinfulness.
- † **Week 4.** All works of love are works of peace. We do not need bombs and guns to bring peace; we need love and compassion. Let us understand that unless we are full of God, we cannot give love and peace to others, and we will not have peace in the world.
